June Meeting Recap

Tacoma Goodwill Milgard Work Opportunity Center

"Living Green with LEED"

Designing, building and maintaining a LEED-certified facility was the subject of our June meeting. Representatives from architects BCRA and Rushforth Construction, along with Tacoma Goodwill, discussed those issues surrounding construction of the Tacoma Goodwill Milgard Work Opportunity Center. The 63,000-square-foot building is LEED-Gold certified, the only nonmedical nonprofit in the area to hold the designation, and includes a "Living Wall" by famous French designer Patrick Blanc. The highlight of the meeting was the facility tour. Thank you to everyone that were able to join us!
