Harsch Investment Properties

Harsch Investment Properties was founded by Harold Schnitzer over 65 years ago when he converted an old warehouse into an office building. Today, his son, Jordan, serves as president of the company, directing its long-term strategy. Harsch cultivates diverse, well-located properties positioned for long-term growth. Their holdings include over 22 million square feet of real estate. They strive to be the leading, diversified, privately-owned real estate investment company in the Western United States. Cosco Fire Protection

In a typical year, the United States experiences over 115,000 non-residential structure fires that cost businesses over \$2 billion. Installing, inspecting, and servicing the appropriate fire protection and life safety systems are critical to minimizing the potential loss of life, property and revenue as a result of fire. Cosco Fire Protection focuses on the two major fire protection and life safety segments: suppression systems and alarm and detection systems. They have the technical expertise and resources to design, install and service the following fire protection and life safety systems in new construction, retrofit, and existing facilities.
