

BOMA - CALL FOR JUDGES

The Office Building of the Year “TOBY” Regional On-Line Judging

BOMA Pacific Northwest Region is looking for a few committed industry professionals to judge the 2008/2009 Pacific NW Regional TOBY entries. Volunteers will be asked to judge and score the entries on-line from the comfort of your office or home from April 6 through April 15, 2009. It is estimated that each building judged takes about one to two hours and we hope each judge might agree to judge three buildings but we will be happy if you do even one.

This is a great way to learn about another real estate professional’s property!!

There are 5 regional entries.

Some details:

- Totally on-line process
- Can be done from any computer with internet
- Judging takes place over a 10 day period – at your convenience
- Judge 1 building entry or 5 – your choice

Please fill out the attached form and fax or email it to BOMA Seattle King County by Wednesday March 25, then watch for further information.
